Dear Eric,

I am delighted to know that you will be at the Booker Dinner on 25 November. Of course I will be happy to let you have the stuff by Saturday 20 November, and of course I trust you. Indeed thanks very much for asking.

You have always been so good about the Prize and this year it has truly been formidable! The inchage of glorious Whitefriar speculation has been marvellous.

I will be in touch with you, if not sooner then certainly by 20 November. Thank you for all you have done.

Yours,
